Who Are You? Help us get to know you. Please include, on a separate sheet of paper, a few paragraphs that tell us about you. For example: What activities/job are you involved in? What are your goals after graduation? What are your interests and hobbies outside of school? Where do you see yourself in ten years, and/or why you would like to go to Washington D.C.? Responses must be typed. Tell us what makes you unique! Applications will be judged on composition, independent thought, neatness and grammar.
